1. On 21 June Mr. Bannerman asked me to draft a memorandum to Emmett Echols advising him that Col. White had agreed to six additional ceilings for the Central Processing Branch in the FY '69 program budget.

2. Mr. Bannerman then asked where matters stood with respect to the suggestions that I had made in my survey of the Branch in March of this year. I told him that I had seen no memorandum transmitting to Personnel Mr. Bannerman's decisions on those suggestions, but, understood that [redacted] had discussed the conclusions orally with either Mr. Echols [redacted] Mr. Bannerman then asked me to include in my memorandum to Emmett a request for a status report on the Central Processing Branch items.
